Our History

Christian Watch was formed in 2001 by a small group of Protestant Christians who were concerned for the future of our nation, the rapid inroads being made by satanic forces to undermine our biblically based Constitution, was of particular concern. It was observed that the majority of professing Protestants are either content to remain silent or are unaware of what is taking place. In consequence it was decided to inform those who are willing to listen and to warn them of the inevitable judgements of God upon a disobedient country.

Our Aims

- * To uphold the Protestant Reformed Faith upon which our National Constitution was established.

- * To promote a general awareness of our nation's departure from the laws of God, as given in the Holy Scriptures.

- * To convey the Biblical message as it currently applies to our nation and to the unrighteous laws passed by Governments in recent times.

- * To inform Protestants of the possible loss of their religious liberties resulting from current and proposed developments and legislation within the UK and European Union.

- * To encourage all who the Lord has awakened to the serious state of our nation - spiritually, morally and ethically - to warn others of the inevitable judgement of God unless true repentance is given, so that many will turn from their wicked ways to serve the Lord.
